Elective Course	0 credits	

※ Graduation Requirements:

1. According to Article 68 of NUU Academic Regulations, students must pass the English Proficiency Test.
2. The graduation credit hours count at most 2 credit hours of the military training courses.
3. The 12 credit hours of the college elective courses refer to the courses taken from the College of Management or any departments of the College of Management (including the major).
4. Students must pass the professional thresholds required by the department.
5. According to the "National United University Student Academic Ethics Education Curriculum Implementation Essentials," students must complete the academic research ethics education course.
6. The self-directed learning: students must participate in 12 lectures or activities conducted by any school unit before graduation, and obtain one credit hour through completing the 12 lectures or activities' certification.

*General Education- Liberal Arts Classification Courses, elective 10 credits hours:

1. Core Courses: Include five categories such as “Natural Science and Applied Technology,” “Ethics, Philosophy, and Religion,” “Humanities, Art, and Aesthetics,” “Media and Information,” and “Social Studies, Law and Economics.” Students should take 6 credit hours from these categories, but at most, one course from each category can be taken into account.
2. Liberal Arts Elective Courses (1), Liberal Arts Elective Courses (2): Other general elective courses not included in the core courses should take 4 credit hours. The core courses over 6 credit hours can be counted for the Liberal arts Elective Courses (1), (2).
